

Connie Sellecca, a Golden Globe nominated actress, currently hosts the nationally syndicated “Intelligence for Your Health” radio show, the first brand extension from ‘IFYL’. Sellecca has starred in dozens of major network television movies and series, including *Hotel, Greatest American Hero, P.S. I Luv U, and Second Chances* and has produced television programs including the made for TV movie *A House of Secrets and Lies* (in which she also starred). Over her career Sellecca has represented major brands including Pantene, Clairol, Avon and Revlon and has been

featured on numerous magazine covers. As a respected businesswoman and entrepreneur, Connie developed her own clothing line and skin care line (Sellecca Solution). Sellecca says she brings both her professional experience and life-experience as a wife, mother of two and grandmother of two to the new syndicated TV series.
